Surface Transportation Board¹

[STB Finance Docket No. 32976]

The Indiana & Ohio Rail Passenger Corporation; Acquisition by Trackage Rights and Operation Exemption; Cincinnati Terminal Railway Corp., Indiana and Ohio Railroad Company, Indiana & Ohio Railway Company, Inc., and Indiana & Ohio Central Railroad Company, Inc.

The Indiana & Ohio Rail Passenger Corporation (IORP), a noncarrier, has filed a verified notice of exemption, as clarified and corrected by letter dated June 12, 1996, from Counsel for IORP,

under 49 CFR 1150.31² to acquire, and operate over, local and overhead trackage rights from Cincinnati Terminal Railway Corp., the Indiana and Ohio Railroad Company, the Indiana & Ohio Railway Company, Inc., and the Indiana & Ohio Central Railroad Company, Inc. all Class III rail carriers. The trackage over which IORP's operations will be conducted are: (1) Over Cincinnati Terminal Railway Corp., from MP 0.4 in Cincinnati, OH, to MP 16.4 at Evendale, OH, for a total of 16 miles; (2) over Indiana and Ohio Railroad Company, from MP 17.75 at Valley Junction, OH, to MP 43.90 at Brookville, IN, for a total of approximately 26.2 miles; (3) over Indiana & Ohio Railway Company, Inc., from (a) MP 5.9 near Monroe, OH, to MP 12.0 near Hageman, OH, (b) MP 31.1 near Hageman, OH, to MP 36.9 at South Mason, OH, (c) MP 26.7 at Lebanon, OH, to MP 31.1 near Hageman, OH, and (d) MP 39.76 at Brecon, OH, to MP 50.5 at Norwood, OH, for a total of approximately 26 miles; and (4) over Indiana & Ohio Central Railroad Company, Inc., from (a) MP 44.96 at Midland City, OH, to MP 74.45 near Thrifton, OH, (b) MP 9.1 near Columbus, OH, to MP 52.56 near Logan,

² A notice of exemption for a similar transaction was served and published previously in *The Indiana & Ohio Rail Passenger Corporation; Acquisition by Trackage Rights and Operation Exemption; Cincinnati Terminal Railway Corp., Indiana and Ohio Railroad Company, Indiana & Ohio Railway Company, Inc., and Indiana & Ohio Central Railroad Company, Inc.*, STB Finance Docket No. 32893 (STB served Apr. 30, 1996) (61 FR 19112). Contrary to an erroneous, but harmless, assertion in that proceeding, IORP was, until June 4, 1996, a wholly owned noncarrier subsidiary of the Indiana & Ohio Rail Corp. (IORC), the noncarrier parent holding company for the four Class III carriers from which IORP is obtaining trackage rights in the present proceeding. IORP, in fact, was a wholly owned, noncarrier subsidiary of the IORC. Because IORP did not act on the exemption authorized in STB Finance Docket No. 32893 (nor on the exemption authorized in *The Indiana & Ohio Rail Passenger Corporation; Trackage Rights Exemption; Cincinnati Terminal Railway Corp., Indiana and Ohio Railroad Company, Indiana & Ohio Railway Company, Inc., and Indiana & Ohio Central Railroad Company, Inc.*, STB Finance Docket No. 32894 (STB served Apr. 30, 1996) (61 FR 19112), it did not become a carrier until June 4, 1996. On that date, the stock of IORC was sold to RailTex, Inc., pursuant to a notice of exemption filed on May 28, 1996, and effective on June 4, 1996, in *RailTex, Inc.; Control Exemption; Indiana & Ohio Rail Corp.*, STB Finance Docket No. 32975 (STB served June 21, 1996). With the sale of IORC's stock, the control of all four carrier subsidiaries of IORC passed to RailTex, but the ownership and control of IORP, under the sale agreement, was retained by Thomas B. McOwen, one of the prior owners of IORC. IORP is thus not presently affiliated with any other rail carrier, and it was never a carrier while it was affiliated with the other rail carriers. Thus, at no time did IORC, Mr. McOwen, or RailTex, require Board approval or exemption to control IORP while in control of rail carriers.

OH, (c) MP 200.57 at Springfield, OH, to MP 228.83 at Fayne, OH, (d) MP 129.4 near Bell, OH, to MP 130.1 near Springfield, OH, (e) MP 0.0 near Bell, OH, to MP 17.2, near Mechanicsburg, OH, (f) MP 98.8 at Bellfontaine, OH, to MP 129.4 at Bell, OH; and (g) MP 124.5 at Glen Echo, to Cold Springs. The total mileage for all segments is approximately 215.8.

The exemption became effective, and, according to Counsel for IORP, the transaction was consummated, on June 4, 1996.

If the notice contains false or misleading information, the exemption is void *ab initio*. Petitions to revoke the exemption under 49 U.S.C. 10502(d) may be filed at any time. The filing of a petition to revoke does not automatically stay the transaction.

An original and 10 copies of all pleadings, referring to STB Finance Docket No. 32976, must be filed with the Surface Transportation Board, Office of the Secretary, Case Control Branch, 1201 Constitution Avenue, N.W., Washington, DC 20423. In addition, a copy of each pleading must be served on: Robert L. Calhoun, Sullivan & Worcester, LLP, 1025 Connecticut Avenue, N.W., Suite 1000, Washington, DC 20036.

Decided: June 14, 1996.

By the Board, David M. Konschnik,
Director, Office of Proceedings.
Vernon A. Williams,
Secretary.
